PETITION OF ALLIED MILLS, INC., FOR VACATION
OF ALLEY WITHIN THE CITY OF FORT WAYNE, INDIANA

Comes now the undersigned, Allied Mills, Inc., an Indiana corporation with offices in Fort Wayne, Indiana, and respectfully shows to the Board of Public Works of the City of Fort Wayne that:

1. It petitions the Board of Public Works of the City of Fort Wayne for the passage of a resolution vacating the public alley hereinafter described, same being located within the City of Fort Wayne, Allen County, Indiana, said alley to be vacated as particularly described as follows, to-wit:

The public alley lying next North of and parallel to West Main Street and West of Davis Street and bounded as follows:

On the East by the West line of Davis Street; and
On the North by the South line of Lot 21 Howell C. Rockhill's Addition; and On the South by the North line of Lots 18 and 19 Howell C. Rockhill's Addition; and the North line of Lot 19 Howell C. Rockhill's Addition projected West to the Northeast corner of Lot 20 Howell C. Rockhill's Addition; and On the West by the West property line of the first alley to the West of and parallel to Davis Street

The real estate proposed to be vacated is enclosed in red at survey which is attached hereto, marked "Exhibit A" and by this reference fully incorporated herein.

2. It is the fee simple owner of Lots 18, 20, 21 and the North 39 feet of Lot 19 in Howell C. Rockhill's Addition to the City of Fort Wayne. With the exception of the area which is adjacent to the alley which extends North-South, your petitioner is the sole owner of all of the real estate which abuts on said alley.

3. The only other person who might be interested in the requested vacation, but upon whose property the alley to be vacated

does not abut is John V. Schane, he being possessed of the real estate at 1926 West Main Street in Fort Wayne, Indiana. A right-of way providing those possessed of the real estate at 1926 Main Street with ingress and egress onto Main Street is located directly to the West thereof. The vacation of the alley herein requested will in no way deny ingress or egress to those possessed of the real estate at 1926 West Main Street.

4. The alley to be vacated has never been improved, and, in fact, has rarely been opened to the public; that it has been used and maintained by your petitioner as part of their business operation for many years last past; that the alley sought to be vacated is not needed for ingress or egress or as a right-of-way to your petitioner or to any of the citizens of the City of Fort Wayne; that it is your petitioner's belief that the vacation of said alley will inure to the benefit of all citizens of this community; that your petitioner further represents that said alley is not necessary nor advantageous in any manner to the growth of this city; that the vacation of said alley will not leave any real estate within this city without ingress or egress. Your petitioner believes that the vacation of the said alley will enable your petitioner to make more advantageous and proper development of the business properties located adjacent thereto.

5. Your petitioner filed with the Plan Commission of the City of Fort Wayne a petition in regard the vacation of this alley and the City Plan Commission has scheduled a public hearing in regard thereto on September 20, 1965 at 7:30 o'clock p.m. in the Council Chambers, City Hall, Fort Wayne, Indiana and requested appropriate resolution and action by the Plan Commission Office of the City of Fort Wayne.

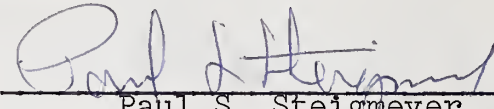

6. Your petitioner will grant whatever easements are necessary to the various utilities to continue in operation any utility facilities located in, on or upon said alley.

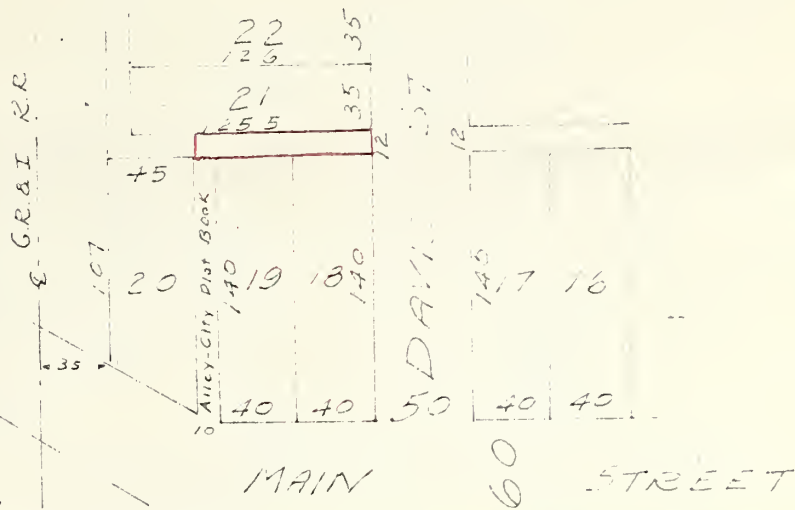

7. Upon vacation of the said alley, your petitioner proposes to surface said alley in accord with the ordinances and rules and regulations of the City of Fort Wayne.

WHEREFORE, the undersigned, Allied Mills, Inc., prays for the vacation of the alley as set forth herein.

Attention Mr. Ted Pfenning

Gentlemen:

SUBJECT: Declaratory Resolution No. 1192-1966 which provides for the Vacation of the first alley north of Main Street from the west property line of Davis Street to the west property line of the first alley west of Davis Street

This has reference to the above described Resolution, confirmed September 22, 1966, on which we are required to hold a hearing on the Assessment Roll of Benefits and Damages.. Said Roll and Easement Grant will not be completed for at least another thirty days.

We are aware that you are anxious to asphalt your parking lot and the vacated alley before inclement weather arrives. Since you have assured us that you will grant the proper easement required before this vacation becomes effective and we have been assured by the only other property owner involved that he has no objection, the Board of Public Works does hereby grant permission to you to proceed with the paving of said lot and alley at your convenience.

Very truly yours,

Re: Declaratory Resolution No. 1192-1966 which provides for the vacation of the first alley north of Main Street from the west property line of Davis Street to the west property line of the first alley west of Davis Street.

The above described resolution was confirmed September 22, 1966. An easement grant must be prepared and signed before the assessment roll of benefits and damages is prepared, however, and this grant will not be completed for at least 30 days.

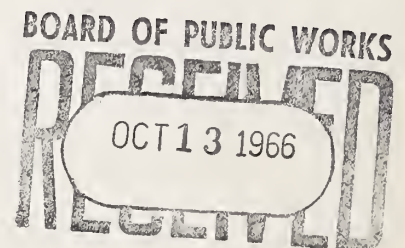

Allied Mills, Inc. is anxious to asphalt their parking lot and the vacated alley before winter. It is our opinion that the initial hearing served to vacate the alley and the remaining meeting will concern only benefits and damages.

Allied Mills has requested a letter confirming that the action taken thus far is sufficient for them to place asphalt over the vacated alley. If you agree with our opinion, please send a letter to this effect in care of Mr. Ted A. Pfenning.
